

**Clinical Assistant/Associate Professor
Restorative Clinical Sciences
General Dentist**

Position #00038766

The University of Missouri-Kansas City School of Dentistry is seeking a general dentist faculty member to fill a position in the Restorative Clinical Sciences department. The position is a 100% benefit eligible, full time, non-tenure track position at the rank of Clinical Assistant/Associate Professor. The faculty member will provide clinical instruction and oversight for pre-doctoral dental students. This includes instruction and evaluation of students in diagnosis, treatment planning, restorative dentistry, removable, fixed, and implant prosthodontics, endodontics, and non-surgical periodontics. The faculty member is expected to provide didactic and preclinical lab instruction, as assigned. A DDS/DMD or equivalent is required. Eligibility for Missouri licensure and Advanced Education in General Dentistry/General Practice Residency training or equivalent is preferred. For individuals with foreign dental degrees, a foreign 4 year or higher dental degree, satisfactory completion of a minimum 12 month CoDA accredited postgraduate program in the US, and successful completion of credentials required for faculty dental licensure in the State of Missouri are required. Qualified candidates may be eligible to participate in faculty practice one day per week.
