UTHealth Houston
School of Dentistry
PACE Center

UTHealth Houston School of Dentistry PACE Center is an American Dental Association (ADA) Continuing Education Recognition Program (CERP) Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Scan the code for course details and online registration, or visit [Go.uth.edu/CDE](https://go.uth.edu/CDE).

Your home for quality, lifelong learning in dental education and connection to career success.
