The Greater Houston Dental Society is an ADA CERP Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The Greater Houston Dental Society designates this activity for 2 continuing education credits.
Catch the Composite Wave: and Surf Its Potential!

_Bud Mopper, DDS, MS_

**Course Description:**
This program will show how to achieve perfection easily with free-hand bonding. Dr. Mopper will show how to use bonding in unexpected ways. He will demonstrate ways to achieve consistently reliable results and will give recipes for success for every restorative situation. When you're busier in your practice, you're happier. Learn about the dentistry you're not currently doing in your practice, and how doing more of it can benefit you financially and professionally by adding more value to your practice.

**Course Objectives:**
Upon completion of this course, you will be able to:

- Use materials available today to their best advantages. These include microfill, nanofill and microhybrid materials. Find out where each fits into the layering technique
- Make Class III, IV and V restorations totally “invisible”
- Close diastemas
- Make a direct-laminate veneer look like the real thing, not just a plastic overlay
- Create esthetic restorative orthodontic corrections
- Restore mutilated dentitions
- Use opaquers and mask unwanted color to create invisible restorations
- Use tints to enhance color and translucency
- Contour, characterize and finish final restorations to make them believable
- Properly polish restorations to acquire a long-lasting, easily maintainable enamel-like luster
- Create the most lifelike, esthetic and truly believable restorations possible
- Make invisible repairs of all kinds to resin, porcelain or metal
- Accurately diagnose esthetic needs
- Construct a philosophy of practice and communication that allows the patient to understand and easily accept the proposed treatment plan.

**Who Should Attend:**
This course has been designed for all members of the dental team who wish to improve their knowledge of restorative materials and techniques.

**About the Presenter:**
Bud Mopper, DDS, MS, is an internationally renowned lecturer in esthetic dentistry with an emphasis on composite bonding using direct-application techniques. Dr. Mopper is in private practice in Glenview, Ill., and has been doing minimally invasive dentistry with composites for 40 years. He is a fellow and founding member of the American Academy of Cosmetic Dentistry, life member of the American Academy of Esthetic Dentistry, diplomate of the American Board of Pediatric Dentistry and a fellow of the American College of Dentistry. He co-authored "A Complete Guide to Dental Bonding," which was the first definitive book for the dental profession describing bonding techniques. Dr. Mopper has written many articles for dental periodicals on direct resin bonding and has contributed to several dental textbooks. He has taught direct resin bonding on a continuing education level at more than 20 dental schools nationwide. He is director of education for the Center for Esthetic Excellence in Chicago and is co-founder and chairman of Cosmedent, Inc., where he is responsible for educational programs and product development.

The Aacd honored Dr. Mopper with two of its most coveted awards: “Lifelong Commitment to Providing Excellence in Continuing Education in Cosmetic Dentistry,” and “Outstanding Contribution to Cosmetic Dentistry.” New York University College of Dentistry awarded him the Irwin Smigel Prize in Aesthetic Dentistry, and Dr. Mopper also recently received a Lifetime Achievement Award from the World Aesthetic Congress in England for “Outstanding Contribution to Aesthetic Dentistry.”

About the Presenter:
Cynthia C. Gadbury-Amyot, MS, EdD, serves as Associate Dean and Professor of Instructional Technology and Faculty Development, the University of Missouri-Kansas City (UMKC), School of Dentistry. She served three years as Director of Graduate and Degree Completion Studies and five years as Director of the Division of Dental Hygiene. Dr. Amyot’s research interests include: portfolio assessment of student competency, community-based service-learning, access to care, and distance and online education. She served as an educational consultant for the American Dental Association Commission on Dental Accreditation. She is the recipient of the 2014 ADHA Alfred C. Fones Award, a national award recognizing outstanding achievement and dedication to the profession of dental hygiene. She was named the recipient of the 2007 ADEA/William J. Gies Foundation Education Fellowship and was awarded the Pfizer/ADHA Award for Excellence in Dental Hygiene in 2004.

The professorship was established at the School of Dentistry in 1981 by the late Jack R. Winston, DDS, Class of 1943. Dr. Winston wanted to set a professional example by demonstrating the significance of continuing education. His personal credo was to help others by contributing his time, skills and resources. Offered to undergraduate dental students and faculty of the School of Dentistry, the lecture will emphasize the field of restorative dentistry. Nationally recognized speakers and distinguished practitioners have presented the lecture yearly since 1983.

The Christensen Bottom Line-2017

Presented by:
Gordon J. Christensen,
DDS, MSD, PhD

This fast moving “bottom line” course includes the areas of dentistry with the most activity and change in any given year.

The course encourages audience participation, questions and answers and is presented in an enjoyable and humorous manner. The hottest aspects in the following will be covered:

• Esthetic dentistry
• CAD/CAM
• Technology
• Laboratory technology
• Occlusion

• Oral & maxillofacial surgery
• Diagnosis & treatment planning
• Preventive dentistry
• State of the profession
Continuing Dental Education Online Registration Instructions

Our office has a new registration system. Please visit the link below to create an account and register for a course. Participants will be able to access their credit letters online the Monday following the course attended:

[go.uth.edu/CDE](http://go.uth.edu/CDE)

1. Click on Course Schedule Tab
2. Select the CDE course you would like to attend by clicking on the title
3. Click “Register Now” (located at right, mid-page)
4. Choose “Click Here to Create a New Account”
5. Enter all required information and select “Submit Registration”
6. Review your cart contents and click checkout.

If you have questions or need assistance, please contact our office at 713-486-4028 or utsdcontinuinged@uth.tmc.edu.

**CONFIRMATION:** You will receive an email confirmation and payment statement after you have registered for a course.

**CREDIT:** The University of Texas School of Dentistry at Houston Office of Continuing Dental Education is designated as a recognized provider by the Commission for Continuing Education Recognition Program (CCERP) conducted under the auspices of the American Dental Association. The formal continuing dental education courses are accepted for fellowship/mastership and membership maintenance credit by the Academy of General Dentistry.

Individuals should consult with their State Boards regarding recognition of courses acceptable for re-licensure. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CDE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between The University of Texas School of Dentistry at Houston-Office of Continuing Dental Education, the Charles A. George Dental Society, the Greater Houston Dental Society, the Greater Houston Dental Hygienists’ Society, the Houston Asian American Dental Society, the Houston Hispanic Dental Association and the UTSD Alumni Association.

The formal continuing education programs of this sponsor are accepted by AGD for Fellowship/Mastership credit. The current term of acceptance extend from 11/01/2015 to 12/31/2019. The University of Texas School of Dentistry at Houston is a member of the Association for Continuing Dental Education.

**CDE Course Registration Information**

**Telephone:** (713) 486-4028  |  **Fax:** (713) 486-4037  |  **go.uth.edu/CDE**

**PREREGISTRATION:** Preregistration for all courses is necessary. It is beneficial for participants to preregister for a course, as the course packet will be available for them at check-in. Please call the Office of Continuing Dental Education at 713-486-4028 to preregister for a course. You may also register online, fax or mail the registration form or contact our office.

Upon registering in any continuing dental education activity, the participant agrees that The University of Texas School of Dentistry at Houston and its affiliates, and all personnel associated with the program, are not responsible or liable for any injuries or other damages sustained by the attendee in connection with the scheduled activity, and the participant hereby releases each of them from any claims against them arising directly or indirectly from any such injury or damage. The registered participant grants permission to the Office of Continuing Dental Education (and its designees and agents) to utilize the participants’ image, likeness, actions and/or statements in any live or recorded audio, video, or photographic display or other transmission, exhibition, publication, or reproduction made of, about, or at, the activity without further authorization or compensation. Participants may not use video- or audio-recording devices during the course or scheduled event. Registering for any continuing dental education activity constitutes acceptance of these terms.

**CANCELLATION POLICY:**

Full tuition must accompany application form to ensure participant’s registration for a course. Tuition is completely refundable if a course is cancelled by the Office of Continuing Dental Education or if the registrant cancels more than 21 working days prior to the course date. Registrants who cancel 10-20 working days prior to the course may apply the entire fee toward another course or receive a refund of 50%. No refunds will be given for cancellations made less than 10 working days prior to the course date, but tuition may be applied toward a future course. A $75 administrative fee will be charged for cancellations made 10 working days prior to the course date. A set deadline is required for certain courses; no registrations or cancellations are accepted after a course’s set deadline. Please see the specific individual course for the set deadlines. “No-shows” for a course will forfeit the full registration tuition. The Office of Continuing Dental Education must receive all cancellations in writing prior to the course date for the appropriate refund and/or credit to be issued. The Office of Continuing Dental Education cannot be held responsible for a non-refundable airline ticket in the event of course cancellation.

**PAYMENT BY CHECK:** To hold your space in any one of the continuing dental education programs, please provide credit card information when preregistering. If payment by check is desired, the credit card will not be charged, but will be “on hold” until the check is received by the Office of Continuing Dental Education.

For the UTSD Alumni Recognition Dinner, please make checks payable to: UTSD Alumni Association

For the UTSD CDE course registration, please make checks payable to: UTSD CDE

**MAIL PAYMENT TO:**

UTHealth School of Dentistry-Office of Continuing Dental Education 7500 Cambridge St., Suite 6130, Houston, Texas 77043

**PAYMENT BY CREDIT CARD:** MasterCard, VISA, or Discover Card only. American Express payments are accepted when registering online.

**ON-SITE CHECK-IN:** Please check details of each course for designated time and location of course check-in. Participants can pick up packets 1 hour prior to the beginning of the course. Same-day walk-in enrollments will be accommodated on space-available basis.

**EARLY-BIRD REGISTRATION:** To qualify for the “early-bird” registration fee, payment must be received prior to the early-bird registration deadline.
For their continued support of and participation in our sponsored programs, The University of Texas School of Dentistry at Houston gratefully acknowledges the 5th Annual Generations Dental Conference supporters:

Thank you for making our program a huge success!
