

Health Science Reasoning Test (HSRT)

All applicants for the Dental Hygiene Program are required to take the Health Science Reasoning Test (HSRT) as part of the holistic application process. This is a computer-based test that is specifically designed to measure critical-thinking skills. The test consists of questions in health science contexts, although no specialized technical knowledge is required.

The HSRT is only offered by appointment from April to August, so it is imperative that you schedule the test as soon as possible, as seating is limited and fills up quickly. Contact us at sod-dental-hygiene@uth.tmc.edu to make an appointment.

The exam fee is \$15. Please bring a money order payable to “UTHSC.” **We do not accept cash, checks, debit or credit cards.**

Testing takes place in the Library and Learning Commons on the fourth floor of the School of Dentistry, 7500 Cambridge St., Houston, 77054.
