SUMMER HEALTH PROFESSIONS EDUCATION PROGRAM
FOR ACCEPTED STUDENTS

Immunization Information

To manage issues related to infection control, The University of Texas Health Science Center at Houston (UTHealth) requires the completion of the two forms (below) for visiting students who will be participating in a clinical setting. These forms must be submitted prior to participating in the program. If these forms are not completed and submitted, the student will be ineligible for program participation.

Please submit the following documents to Employee Health Clinical Services (EHCS) by secure fax to 713-486-0983.

- Certificate of Immunization
- VH3 Health History Form

Criminal Background Check

A Criminal Background Check - all students, faculty and staff are required to undergo a criminal background check prior to commencement of activities on campus. The same is true for matriculation to the vast majority of medical and dental schools around the country. SHPEP participation is contingent upon completion of a background check. The University of Texas Health Science Center (UTHealth) Human Resources Department will run the check at no cost to you. Individuals who do not submit to the background check will be ineligible for program participation.

Upon confirmation by the applicant of accepted status, the participant will receive an e-mail from a UTHealth Human Resources representative, who will initiate the criminal background check process.

Calculator Requirement for Statistics Course

Accepted scholars are required to bring a statistics-friendly calculator for the Statistics course: Texas Instruments 83+ or 84+. Specs/features and user guide may be accessed by clicking on the following links:

- TI-83 Plus
- TI-84 Plus Silver Edition
- Guide for TI-83, TI-83 Plus, or TI-84 Plus Graphing Calculator
The University of Texas Health Services – Houston
CERTIFICATION OF IMMUNIZATION

Please have your health care provider complete and sign this Certification of Immunization. Please return this form and supporting laboratory or x-ray documentation (as indicated on the next page) with your application. Your application will not be considered unless this form is included and complete with supporting documentation.

**Visitor Category:** [ ] Pre-baccalaureate trainee [ ] Visiting Student trainee [ ] Professional trainee [ ] Visiting Scientist

**Estimated length of stay:** 15 Days

**CONFIDENTIALITY STATEMENT:** This form requires that you provide personal health information that is protected by University policy and State and Federal law. Your rights to the confidentiality of your personal health information will be strictly maintained by EHCS. Your information will be used or disclosed in accordance with those policies and laws only to the minimal extent necessary for your treatment or business operations. All applicants must submit the completed form to their sponsored department, who will forward it to EHCS. Health Clearance will be sent, by email, to the sponsored department.

---

**Please indicate your classification:**

- [ ] Pre-baccalaureate trainee
- [x] Visiting Student trainee
- [ ] Professional trainee
- [ ] Visiting Scientist

**Estimated length of stay:** 15 Days

**Are you visiting a laboratory, K-12 school, or be in a clinical setting?**

- [ ] Yes
- [x] No
- [ ] Don't Know Yet

(If “Yes,” proceed to 1.TB test below. If No, go to Page 2)

**Your application will not be considered unless supporting documentation in English is included:**

1. **Tuberculin (TB) skin test (PPD) required within the last 6 months, even if you received BCG vaccine.**
   
   1.1. Date of last TB skin test: [ ] (ATTACH DOCUMENTATION OR LABORATORY REPORT)
   
   1.1.1. Result [ ] Negative [ ] Positive (measurement ______ mm if available)
   
   1.2. Have you ever had a positive tuberculosis (TB) skin test? [ ] Yes [ ] No If yes, when? [ ]
   
   1.2.1. Chest x-ray findings if PPD is positive (attach x-ray report) Date of chest x-ray: [ ]

2. **Hepatitis B Series. Three-dose series or laboratory report of positive hepatitis surface antibody titer** (ATTACH DOCUMENTATION OR LABORATORY REPORT)
   
   2.1. #1 [ ] #2 [ ] #3 [ ]

3. **Tetanus/Diphtheria or TDAP. One dose within the past 10 years. Date of last vaccination:** [ ]

4. **MMR/Measles booster. Two (2) doses of measles vaccine if born after January 1, 1957, administered on or after your first birthday and at least 30 days apart. Or laboratory report of positive rubella, mumps, and rubella titers.**
   
   2.1. #1 [ ] #2 [ ]

5. **Varicella vaccine series (2 doses given at least 28 days apart) or Chicken pox disease (documented by health care provider) or positive varicella titer (attach lab report)**

6. **Seasonal influenza vaccination. Date: [ ] N/A [ ] Attach evidence of vaccination.**

7. **Bloodborne Pathogen Exposure Questions:**
   
   1. While at The UTHealth, will you be exposed to human blood and bodily fluids? [ ] Yes [ ] No [ ] Don't Know Yet
   
   1.1. If you are a visitor and have a risk of being exposed to bloodborne pathogens while at the University; do you want UTHealth to provide the vaccine series at your expense, or perhaps refer you to another source for the vaccination series? [ ] Yes [ ] No [ ] Don't Know Yet

If you answered “Don’t Know Yet” to either question above (1 or 1.1), you need to ask your supervisor upon arrival at your assigned location. If the answer then becomes “Yes” to either question you must inform EHCS at 713-500-3248.

---

Approval Date: 02-19-2013
VH-3 Form “Health History”

If you will be exposed to human blood and bodily fluid and choose NOT to accept the vaccine, please read and sign the statement below:
I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring Hepatitis B (HBV) infection. I have been given the opportunity to be vaccinated (at my own expense) with Hepatitis B vaccine at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B infection, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccine series at my own expense.

Hepatitis B - Declination Signature

Past History and Review of Systems:

Please check if you have ever had any of the following:

☐ Skin Problems
☐ Communicable Diseases
☐ Persistent or unusual cough
☐ Color blindness/vision problems
☐ Loss of consciousness/seizures/ convulsions
☐ Unsteadiness in balance/dizzy spells
☐ Diabetes/Sugar disorders
☐ Neck/back/knee problems
☐ Difficulty with hearing
☐ Hepatitis
☐ Alcohol/drug abuse
☐ Psychiatric/emotional problems/depression/anxiety

For any items checked above, are you or were you under the care of a physician? ☐ Yes ☐ No

Comments:
